

# Adam Sammons

Designer / Developer

adamsammons.com ☎ 503-709-5591 ✉ erefutre@gmail.com

## Profile

Inherently creative and dexterously analytical with 7+ years experience in eCommerce and web app development. Fueled by learning and discovering solutions to complex obstacles. Maintains a laid-back and drama-free attitude. Not above grunt work. Driven to outperform expectations while remaining practical. An electronic music and film enthusiast with a deep understanding of technology and nature. Quick to find my way around new territory.

## Experience
